दिया गया पाठ्य/CHAPTER COVERED: TRY AGAIN

SECTION-A

1. Read the passage and answer the questions as instructed.

[10]

Ravi was a young boy who lived in a small village. Every day, he helped his father in the fields after coming back from school. He loved learning new things and was always curious. One day, he found a damaged radio lying near the village shop. He picked it up and brought it home.

Ravi started learning how radios work by reading old books from the school library. He spent hours trying to fix the radio. Days turned into weeks, but he never gave up. Finally, one evening, the radio came to life, and music played from it. His parents were amazed at his dedication and skill.

News of Ravi's talent spread around the village. People started bringing broken gadgets to him, and he repaired them happily. He became an inspiration for many children in the village. His story showed that hard work and patience can lead to success.
