SECTION C- DISCOVERY OF FACTS (12 Marks)**Q9. Give reason.****(6marks)**

1. India is called a country of 'unity in diversity' because people belonging to different religions, languages, cultures and traditions live together peacefully as one nation.
2. We should save water because it is precious. Only a tiny fraction (about 1%) of Earth's water is fresh and safe for humans to drink. People, animals, and plants all need fresh water to live, stay healthy, and grow. Without water life is impossible.
3. People in many villages clean floors with cow dung and mud because it keeps insects away and helps keep the floor cool

Q10. Answer the following.**(6 marks)**

1. A green school saves water and electricity, manages its waste properly, and keeps its campus green with plants and trees. Features: (i) segregates wet and dry waste, (ii) switches off unnecessary lights and fans, (iii) plants and cares for trees (any two).
2. National symbols like the flag, emblem, anthem, and currency remind us that we all belong to one nation. They represent our shared pride, courage, and values. The tricolour flag teaches unity, the Ashoka Chakra shows duty, and the emblem stands for strength. These symbols bring people together and make us feel proud to be Indians. They help every citizen feel connected, no matter which state or language they belong to.
